

## Pledge of Participation

By participating in the Global Students' Idea Factory 2025 (hereinafter referred to as the Project) organized by the Japanese Association for the Advancement of Science (JAAS) (hereinafter referred to as Organizer), the Participant agrees to do the following.

1. I declare that the application documents submitted to this Project and the information contained in the registered entry information (hereinafter referred to as Application Registration Information) are accurate based on facts.
2. If the Application Registration Information contains false information, or if someone other than the Applicant participates, the Applicant accepts that he or she will be disqualified from participation.
3. If there is a change in the Application Registration Information, I will notify the Organizer immediately.
4. I undertake to follow research ethics and ethical considerations in the activities of this Project, and not to make false statements, fabricate, falsify, or plagiarize data, and to disqualify myself from participation if I am found to have done so.
5. I undertake that if any disruptive behavior or actions that disturb others or violate rules are observed during the project period, my participation may be revoked.
6. During the Project period, in accordance with the rules, regulations and instructions of the Organizer, I undertake that in the event of an accident during this project or any ancillary events, I will be responsible for the accident unless there is obvious negligence on the part of the Organizer, and I will not blame or pursue responsibility against the Organizer, other participants, or related parties.
7. I undertake not to seek compensation for any illness, loss, theft, damage, etc. that may occur during the Project period, unless the Organizer is clearly negligent.
8. I agree not to object to the cancellation or alteration of this Project or any ancillary events due to strong winds, heavy rain, snowfall, earthquakes, or other force majeure.
9. I agree that videos, photographs, articles, recordings, etc. of this Project, including personal information such as name, university name, and likeness, may be used in broadcasts, websites, printed materials, social media accounts of the Organizer and associated organizations, and future advertisements.
10. For the purpose of verifying the results of the implementation of this Project and following up with participants, I consent to the use of personal information obtained by the Organizer and related organizations (including sponsoring companies) for the purposes of notification, communication, recording, announcement, etc. of the next event and related information.
11. Even after the completion of this project, if you participate in initiatives related to this project organized by the host or engage as an Alumni, you will continue to adhere to the pledges stipulated in the preceding sections.

Addressed to the Organizer:

In order to confirm that I understand and accept the above, I clearly state and sign the following required information.
